

**AMENDMENT TO
PITNEY BOWES TERMS AND CONDITIONS**

The Pitney Bowes Terms and Conditions are amended as follows:

1. The Terms and Conditions - General shall be amended to add a new Section G-23 reading in full as follows:

G-23. Analog Set-Up Fee. All mailing systems include digital connection capability. You should use a digital connection. If you choose to use an analog connection, there will be an additional set-up fee for analog access. This analog set-up fee will be assessed in one non-refundable installment at the beginning of the term of this Contract if you select an analog connection as your connection method or, if you use an analog connection during the term of this Contract notwithstanding your original selection of a digital connection as your connection method, in the invoice following your use of an analog connection.
